LB 96

He will say, Senator Chambers, you know the answer to that question, highways are not going to bring development where development has not already occurred.

SPEAKER NICHOL: One minute.

SENATOR CHAMBERS: So, highways are built because development is there in the same way that builders build houses where people will buy them rather than just throwing them up somewhere and say people will go buy where builders have built. So what I am asking you to do is to put us all out of our misery although I'm starting to kind of enjoy this and maybe I would like it to do an encore on Select File and Final Reading too, but to avoid all of that and leave the utilities where they belong based on the law, their carelessness in dealing with this issue in the past, I am asking that you vote aye for my amendment, my motion to kill this bill.

SPEAKER NICHOL: The question is the indefinite postponement of LB 96. All those in favor of postponing LB 96 vote aye, opposed nay. A simple majority. Yes.

SENATOR CHAMBERS: I am going to need a Call of the House anyway and then you will be going on to something else and we'll see if they got the 33 votes they are going to need for the emergency clause anyway.

SPEAKER NICHOL: The question is, shall the House go under Call. All those in favor vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 13 ayes, 1 nay to go under Call, Mr. President.

SPEAKER NICHOL: The House is under Call. Will you please indicate your presence. All those not in their seats, please return to the Chamber and take their seats and record your presence. Unauthorized personnel please leave the floor. Sergeant at Arms, will you please locate those who are not excused. Thank you. Please record your presence. Front row, do you want me to call your names? Please indicate your presence. Senator Howard Peterson. We are looking for Senator Abboud, Senator Beutler, Senator Fenger, all right, Senator Higgins, Senator Rod Johnson, Senator Vard Johnson, Senator Lamb, Senator Landis. Seven are now excused, Senator Chambers. Did you want a roll call vote, Senator Chambers? Okay. Senator Lamb, Senator Higgins, Senator Rod Johnson, those are the ones we are looking for and Senator Wiitala. Senator Chambers, I think the only one we are waiting on is Senator Wiitala now. Call the roll, Mr. Clerk.
